## Stage 3 Collection 12 City of Burnside

## Zero Waste SA

The collection at Burnside was a great day with 1082 people delivering 27.18 tonnes of unwanted materials to our collection point.

The top three wastes were paint (14703kg), lead acid batteries (4089 kg) and waste oil (3478 kg).

Other wastes received included fertilizers, garden chemicals, corrosives, solvents, aerosol cans and pharmaceuticals.
