Stage 3 Collection 4 Adelaide Hills Council

Zero Waste SA

Two hundred and nine residents delivered 16.6 tonnes of unwanted hazardous materials to the collection points at Gumeracha and Heathfield.

The top three wastes received were waste oil (4775 kg), solvent based paint (4136 kg) and lead acid batteries (2843 kg).

Other wastes included pesticides (including organochlorines), fertilizers, fumigants, solvents and corrosives.

Council	Date	Location	Amount of waste (kg)	Number of participants
Adelaide Hills Council	9 & 10 Sept 2005	Gumeracha	10029	111
Adelaide Hills Council	16 & 17 Sept 2005	Heathfield	6575	98
TOTAL			16604	209
