

Stage 3 Collection 6 Eyre Peninsula

Zero Waste SA

The sixth collection in Stage 3 was undertaken in the Council areas of Ceduna, Streaky Bay, Elliston, Lower Eyre Peninsula, LeHunte, Port Lincoln and Tumby Bay.

In total 38.94 tonnes of waste was received from 210 residents. The top three materials received were waste oil (26001 kg), lead acid batteries (5510 kg) and flammable liquids (2822 kg).

Other wastes included pesticides, corrosives, arsenic compounds, fertilisers and solvent based paint.

Council	Date	Location	Amount of waste (kg)	Number of participants
DC of Ceduna	4-Oct-05	Ceduna	1743	12
