Stage 3 Collection 2 City of Holdfast Bay

Zero Waste SA

The second collection in Stage 3 was undertaken in the City of Holdfast Bay on the 27 & 28 August 2005. In total 14.2 tonnes of waste was received from 517 residents.

The top three materials received were waste paint (6431 kg), waste oil (2635 kg) and lead acid batteries (1371 kg).

Other wastes included flammable liquids, pesticides, corrosives, fertilizers and oxidisers.

| Council | Date | Location | Amount of waste (kg) | Number of participants |
|----------------------|------------------|-----------------|-----------------------------|-------------------------------|
| City of Holdfast Bay | 27 & 28 Aug 2005 | Somerton Park | 14152 | 517 |
| TOTAL | | | 14152 | 517 |
