

Stage 3 Collection 1 Murraylands

Zero Waste SA

The first collection in Stage 3 was undertaken in the three Council areas of Mid Murray, Murray Bridge and Karoonda East Murray during the time period 26 July to 5 August 2005. In total 14.5 tonnes of unwanted material was received from 129 residents.

The top three wastes were waste oil (5767kg), flammable liquids (2776.5 kg) and pesticides (2338 kg).

Other wastes included fertilisers, fumigants, lead acid batteries, solvent based paint and detergents.

A breakdown of amounts collected per site is as follows;

Council	Date	Location	Amount of waste (kg)	Number of participants
Mid Murray	26 July 2005	Morgan	393.5	7
Mid Murray	27 July 2005	Cambrai	550.5	6
Mid Murray	28 July 2005	Truro	1580	4
Mid Murray	4 August 2005	Mannum	3364	13
Murray Bridge	1&2 August 2005	Murray Bridge	7363	83
Murray Bridge	3 August 2005	Mypolonga	1167	10
Karoonda East Murray	5 August 2005	Karoonda	84	6
TOTAL			14502	129
