Stage 3 Collection 9 - City of Onkaparinga

Zero Waste SA

The ninth collection in Stage 3 was undertaken on the 18 and 25 March 2006 in the City of Onkaparinga.

Over 24 tonnes of unwanted chemicals were received from 530 members of the public. The top three wastes collected on the day were: waste paint(11506kg), waste oil(5744kg), and used lead acid batteries(3128kg).

Other wastes included flammable liquids, pesticides, fertilisers, pharmaceuticals, oxidisers, and corrosives.

Council	Date	Location	Amount of waste (kg)	Number of participants
