

The collection in the Outback Areas Community Development Trust was undertaken between 15 August and 26 August 2006. 37 people delivered 9 tonnes to the 7 collection points.

The top three wastes received were waste oil (6564 kg), pesticides (378 kg) and diesel (251 kg).

Other wastes included fumigants, flammables, strychnine and pharmaceuticals.

District	Date	Location	Amount of waste (kg)	Number of participants
Outback Areas	15 August 2006	Glendambo	843	3
	16 August 2006	Pimba	212	2
	17 August 2006	Roxby Downs	153	6
	23 August 2006	Marree	1250	6
	24 August 2006	Leigh Creek	3648	6
	25 August 2006	Parachilna	1658	4
	26 August 2006	Yunta	1604	10
