

HOUSEHOLD HAZARDOUS WASTE DEPOT

A service provided for householders and farmers (not businesses) to dispose of hazardous wastes safely, responsibly and free of charge.

Open 9:00am to 12:00pm
the first Tuesday of every month
(including public holidays).

Cnr Magazine Road and
Henschke Street, Dry Creek

WE WILL ACCEPT

- ✓ Pesticides (including insecticides, herbicides)
- ✓ Pharmaceuticals
- ✓ Solvents (including paint thinners, turpentine)
- ✓ Acids and alkalis
- ✓ Paints
- ✓ Varnishes and stains
- ✓ LPG gas cylinders (that hold up to 9.0 kg of gas)
- ✓ Photographic chemicals
- ✓ Batteries (nickel/cadmium, mercury, lithium, lead/acid)
- ✓ Motor oil,* coolants
- ✓ Pool chemicals
- ✓ Other household chemicals
- ✓ Fluorescent light globes (including compact fluorescent light globes)

* Remember, used oil can also be deposited at your council's local depot. Check Locations at the Zero Waste SA website.

www.zerowaste.sa.gov.au

WE WILL NOT ACCEPT

- ✗ Any hazardous waste generated by a business, industry or government agency
- ✗ Any household hazardous waste collected for fee or reward
- ✗ Explosives, ammunition and flares (contact your local police station)
- ✗ Asbestos
- ✗ Tyres
- ✗ Empty containers
- ✗ Radioactive materials

To dispose of these items responsibly, check the Yellow Pages under 'Waste Reduction and Disposal Services' or contact the Environmental Protection Authority on 08 8204 2004.

HOUSEHOLD HAZARDOUS WASTE DEPOT

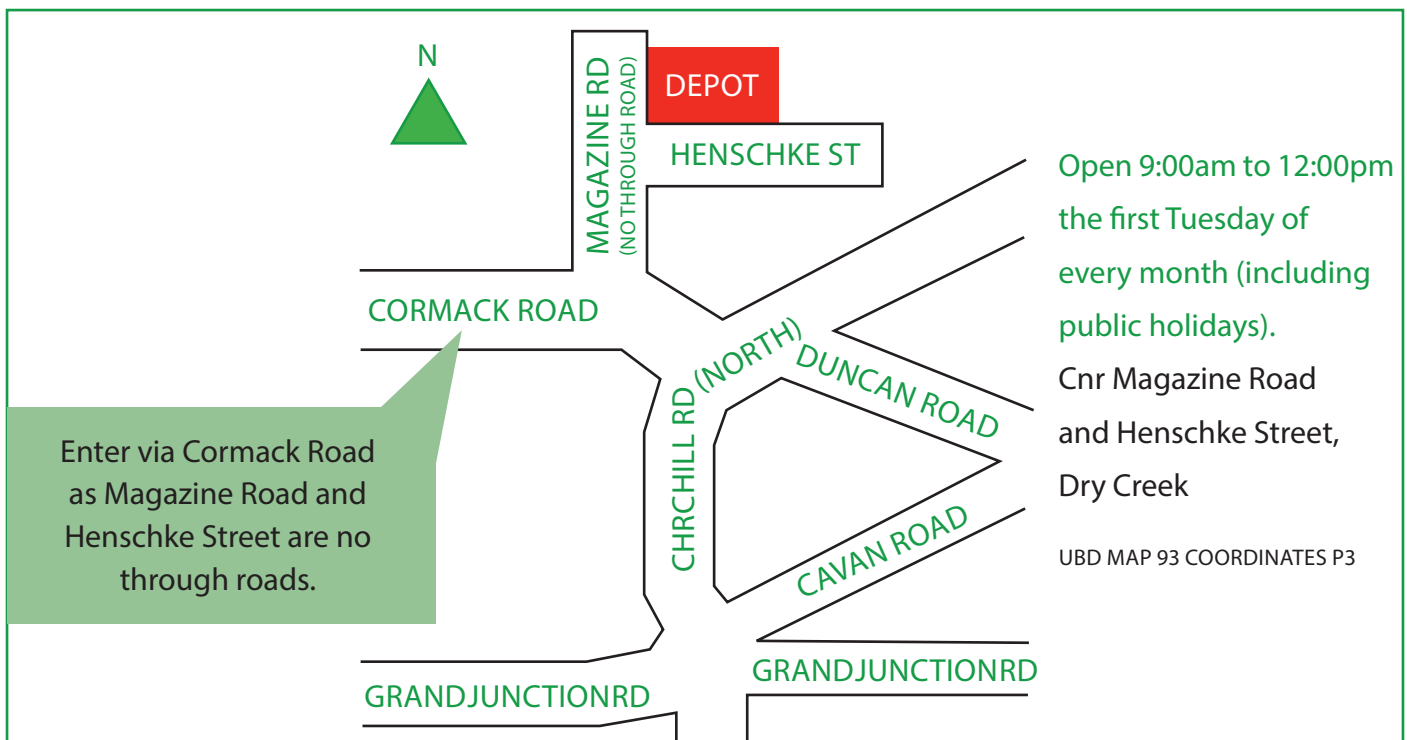

THINGS TO DO

- Keep the original label on the container or put labels on known chemicals
- Package securely to prevent spills
- Transport chemicals in your vehicle's boot or trailer
- We do not empty any containers or drums on-site, so no containers can be returned
- Place old containers of liquids in a bag or plastic bucket so they do not leak
- For faster unloading place smaller tins in a larger box
- Keep corrosive chemicals, such as battery acid away from poisons
- Keep oxidising agents, such as peroxide away from all other materials

FOR MORE INFORMATION

For more information about other household hazardous waste collections held in conjunction with councils visit www.zerowaste.sa.gov.au/About.mvc/HazardousWaste

If you have any other questions about this free service contact: Zero Waste SA on 08 8204 2051 or visit www.zerowaste.sa.gov.au or call your local council
